REMARKS

1. Glad for opportunity - before return to campus
  - Hope summer challenging - rewarding
  - We've benefited from your help
    - ° shoulder part of load
    - ° contribute ideas
    - ° enthusiasm/questions - keep us on toes
  - Thanks for your contribution.
2. May know - many initiatives underway - some you can help
  - Charter legislation - status
  - Open communications/strengthen ties to public sector
    - ° business - 2 way
    - ° academic
      - recognize constrained - classified work - can't discuss in detail, but
      - you are most knowledgeable
      - hope you proud of association with us - courage to say so
      - can make real contribution:  
  
Lots of myths to be dispelled; untruths countered  
You know truth first hand - be surprised how much influence you have in changing attitudes.

3. Beyond that - hope write

- Ideas
- Suggest opportunities to improve understanding/relations
